

KLEBAN & GELMAN'S

Sixth Great Semi-Annual

EMPORIUM SALE

Began This Morning at 8:30

This Semi-Annual Emporium Sale is the greatest Sale event of the year. Fall and Winter Goods must be hurried out regardless of cost or value. Surplus stocks of all staple goods must be moved. We cannot allow them to accumulate. To effect this we have cut prices boldly and fearlessly and deep price cuts affect every line and every department, goods for cost or less all over the four floors of this store. It will pay you not only to supply your immediate needs, but to anticipate your future wants as well, as it will be six months before another such opportunity for Bargain getting will be offered to you. Never in the history of this store, and surely not in the history of any other store, have there been offered such money saving chances as this Sale offers.

READ EVERY ITEM CAREFULLY.
